THE  
FLUTE  
BOY

 AUSTIN MACAULEY PUBLISHERS™

Once in the Batibo kingdom, there was a grieving pregnant widow who lost her husband in a shipwreck while he sailed to the Ibo land to buy goods.

She always sat beside the window of her  
bedroom, watching the road.

Soon after, she gave birth to a handsome baby boy and died. The little boy was left in the hands of his cruel aunt.
